

Sponsorship Options

The Texas Coastal Bend Chapter of ISSA encourages a strong partnership with global, regional, and local sponsors to fulfill the educational goals and mission of the chapter. Our capacity to carry out this mission is greatly improved with the support of sponsors.

Through sponsorship packages, the chapter has created the opportunity to build an on-going partnership with vendors who provide products and services beneficial to our industry and membership. Your company can increase its exposure to our general membership, monthly meeting attendees, website visitors, and attendees at special events.

Our Silver Package for \$1500 allows a vendor to sponsor an event at ISSA with a speaker chosen by ISSA on a topic chosen by ISSA. Sponsor branding will be displayed before and after the speaker presentation, and the sponsor will be formally acknowledged by ISSA during the event. The sponsor may choose to have a table set up outside of the conference room to answer any questions and meet people as they arrive or leave. *recommend sponsor provide a raffle item(s) as a way to collect business cards.

The Gold Package for \$2500 is for vendors who have a speaker in mind who they would like to sponsor. This option allows a vendor to nominate their own speaker (upon vetting and approval of ISSA speaker committee) to speak on an industry topic of interest to ISSA membership. This presentation should focus on trends and industry solutions and not be a show and tell of a vendor product to pass the vetting process. All of the Basic Package benefits are included. *recommend sponsor provide a raffle item(s) as a way to collect business cards.

The Platinum Package for \$3500 is a sponsorship of a special event (like a joint ISSA meeting with another security organization, or one of our subsidized training events). These events typically pull a broad range of attendees from our membership. Generally, the speakers are unique guests from the FBI, DOD, NASA, or a specialty trainer. While this event type does not allow the vendor to select a speaker, they are great opportunities to align your brand with a government speaker or other well-known figure who you normally may not be able to book as a vendor speaker as well as to sponsor an event that attracts a large number of visitors from both ISSA and other organizations. *recommend sponsor provide a raffle item(s) as a way to collect business cards.
